notre évolution

Touch -Mel indica la nuova strada. Dal Gennaio del 2016 è in atto un virtuoso ripensamento nel mondo del tableware. La Melamina si ripresenta nella sua composizione più pura e sostenibile e si veste - attraverso l'arcobaleno dei colori - delle texture più belle e gioiose. Touch-MeL ripropone in modo autorevole la storia delle decorazioni, accompagna l'evoluzione degli stili e indica, nel suo percorso in continuo divenire, la moderna tavola imbandita. E fa riscoprire la gioia di servire in modo festoso le vivande ai commensali.

Touch-Mel indicates the new way. From January 2016 a virtuous reconsideration is taking place in the tableware world. Melamine reintroduces itself in its purest and sustainable composition and dresses up - through the rainbow of colors - with the most beautiful and joyful texture. Touch-MeL proposes the history of decorations in an influential way, accompanying the evolution of styles and indicates, in its continuously evolving path, the modern set table. And it makes rediscover the joy of serving the food to the fellow diners.

Touch-Mel montre la nouvelle voie. À partir de Janvier 2016 est en cours un vertueux changement dans le milieu de la vaisselle. La mélamine se réintroduit en sa composition plus pure et écologique et elle s'habille - à travers l'arc-en-ciel des couleurs - des textures plus belle et joyeuses. Touch-Mel pose à nouveau en manière influente l'histoire des décorations, elle accompagne l'évolution des styles et montre, pendant son parcours en continuel devenir, la table moderne. Elle fait redécouvrir la joie de servir les plats de façon festive aux hôtes.

la nostra . evoluzione . TOUCHMEL

Touch -Mel zeigt den neuen Weg auf. Von Januar 2016 wird nun die Welt des Tableware auf positive Weise neu überdacht. Das Melamin zeigt sich hier in seiner reinsten und dauerhaftesten Zusammensetzung und kleidet sich durch den Regenbogen der Farben in den herrlichsten und fröhlichsten Texturen. Touch-MeL inspiriert sich auf glaubwürdige Weise an der Geschichte der Dekoration, ja begleitet die Entwicklung der Stilrichtungen und zeigt so, innerhalb dieses andauernden Werdeganges, den modern gedeckten Tisch auf. Und wir entdecken neu die schiere Freude, festlich für unsere Gäste aufzutischen.

Touch-Mel marca un nuevo camino. A partir de enero de 2016 se pone en marcha una innovadora idea en el mundo del menaje. La MeLamina se vuelve a presentar en su composición más pura y sostenible y - a través de una amplia gama de colores - vestida de bellos y alegres matices. Touch-Mel vuelve a proponer de una forma clara la historia de la decoración, acompaña a la evolución de estilos y marca un camino en constante evolución en decorar la mesa. Y permite redescubrir la satisfacción de servir a los comensales.

MeLamine verschijnt hier weer in zijn meest zuivere en duurzame vorm en hult zich - via een uitgebreid kleurenpalet - in de mooiste, vrolijkste prints. Touch-MeL brengt de geschiedenis van de decoratie optoonaangevende wijze weer tot leven, gaat mee met de stijlevolutie en geeft, met zijn steeds verder ontwikkelende parcours, richting aan de moderne feesttafel.

U herontdekt het plezier dat schuilt in feestelijke gerechten serveren aan uw tafelgenoten.
